- First post: free narrative430.7 Tm22(gr)]TJETBT1 0 0 1412.27 399 Tm( )]TJET EMC /P

Instructional Design for Academically Valuable Talk

Instructional Design for Genre

- Explained specific genre differences for different online tools
- Gave plenty of examples, exercise, and scaffolds
- Still many students have difficulty to move from one genre to another

They Facebook on academic message boards and blogs
  Use blog informal style writing in wiki, etc.

Instructional Design for Wiki Collaborative Writing: Scaffolds

- Explicitly explain differences in Collaboration and Cooperation
- Explain the benefits of collaboration
- Allow firstly to engage in cooperation
-
