PREAMBLE

The Kansas State University Chapter of the National Society of Black Engineers, as a local student and professional based organization, does hereby dedicate itself to the development of intensive programs for increasing Black and other ethnic minority participation in the field of engineering and engineering technology. These programs will be initialized both within and outside the university community and will strive to strengthen relations between professional industry and the black community. Members of this organization are encouraged to join and participate in their individual professional societies; this organization will endeavor to provide general counseling to all members to ensure successful matriculation and effective integration

skills and deficiencies and qualitatively determine the aptitude and fortitude of each Candidate on the grounds of the NSBE mission and duties ascribed
