KSU Classified Senate Employee Newsletter

February 2001

President's Column

Dear Classified Employees:

As the new year begins, there are a few topics that the classified employees need to be aware of and that should be followed in the newspapers, television, and legislative website.

First is the change in the classified pay plan. Governor Bill Graves announced that effective February 4, 2001, the elimination of Pay Steps 1, 2, and 3 will occur in order to enhance recruitment, and to reduce turnovers of new hires. Employees currently on these steps will automatically be moved to Step 4, with Step 4 becoming the new entry level step. The details are available on the Department of Administration, Division of Personnel
